PROFILE

Final-year BSc. CSIT student with a strong interest in backend development. Comfortable working with Node.js, Express, and MongoDB to build APIs and server-side apps. Quick to learn, easy to work with, and always ready to take on new challenges.

EDUCATION

Far Western University Mahendranagar, Kanchanpur BSc. CSIT <i>Predicted Grade: A</i>	2021 – Present
Bhanu Technical Secondary School Dodhara, Kanchanpur Computer Engineering <i>Grade: B+</i>	2015 – 2019

EXPERIENCES

Sofsee Tech Mahendranagar, Kanchanpur <i>Internship (Android Development)</i>	2023 (3-month internship)
- Developed mobile applications using Flutter and integrated Firebase for backend services like authentication and database. - Gained hands-on experience in mobile UI/UX design and state management.	

PROJECTS

Campus Connect <i>Developed a social media platform for campus students and mentors to connect, share knowledge, and support each other.</i>
- Built a platform where students post queries and mentors share advice and resources. - Implemented user authentication with JWT and bcrypt for secure login. - Developed backend using Node.js, Express, and MongoDB to handle user data and interactions. - Designed the frontend with React.js to provide a user-friendly and responsive experience.
Online Examination System Developed a web-based platform for students to take exams online, manage submissions, and view results. The system helps simplify exam and result management for both students and admins.
- Created a login system using PHP sessions to manage user authentication and access control - Implemented features to allow students to take exams and receive instant result feedback. - Managed backend operations using core PHP and MySQL to store exam data, questions, and responses. - Designed a clean and responsive interface using HTML and CSS for easy navigation and use.

SKILLS

- Backend Development:** Node.js, Express.js, PHP, MySQL, MongoDB
- Frontend:** React.js, HTML, CSS, JS
- Tools & Platforms:** Git, GitHub, Postman, Firebase
- Other Skills:** REST API integration, CRUD operations, Debugging

HOBBIES & INTERESTS

- Curious to know and learn about new technology
- Interested in programming and problem solving
